

Henna Care

**Leave henna paste on as long as possible!
4 Hours or More**

**Avoid water for the rest of the day
(within hygiene's sake)**

**Hands/wrists or feet/ankles will have the best color.
The further from those areas, the lighter the stain.**

**With proper care, you will have good color
5-10 days and full exfoliation 1-3 weeks.**

**I only use all natural safe brown/red henna.
No chemicals or artificial dyes are added.**
